Parent Notification of MACHS Title I Programs **2018-2019 School Year**

Dear Parents and Guardians:

The Maritime Academy Charter School receives Title I Federal Funds annually. The amounts of these funds change from year to year depending on student enrollment and the percentage of qualifying students. Your completion of our Household Survey, posted on the MACHS website, is critical in determining our funding.

The purpose of Title I funds is to help insure all children have access to the support they need to meet the rigorous Pennsylvania Academic Content Standards.

At MACHS, we use our Title I funds to purchase and upgrade technology, purchase instructional aids for classroom use, and fund some teachers' salaries to keep our teacher: students' ratio at an optimal level for effective learning.

At various times during the school year, Maritime will hold Parent Informational Meetings to share program updates and progress. We hope you will take advantage of these enlightening program meetings.

Should you have questions about MACHS Title I programs and services, please feel free to contact me.

Sincerely,

Lucy Feria
Interim CEO
