September 28, 2015

Welcome Back to School Parents, Faculty, and Cadets,

My name is Diane Fanega, and I'm thrilled to be the Box Tops for Education™ Coordinator for Maritime Academy Charter School. Clipping Box Tops is an easy way for you to help our school earn cash. In the past, we've earned as much as \$400 and have used that money for various building needs. This school year, Maritime Academy's earnings goal is \$1,000 which will be used for the sole purpose of lessening the costs of field trips. To keep track of the Box Tops you collect, use the attached collection sheet. Be sure to include the cadet's first and last name, along with their section.

Are you a Box Tops member? Sign up at www.BTFE.com to stay updated on our school's earnings and find a full list of hundreds of participating products. Members also receive exclusive coupon offers and recipes and can learn about extra ways for our school to earn more cash.

In addition to collecting Box Tops for Education™, we are also introducing a new iPhone and Android app that you may use to also generate funds for our school. Shoparoo allows users to turn their pictures of shopping receipts into donations to a school or charity of their choice. This is a free app that can raise large amounts of money in a short period of time. In fact, from just 5 current supporters, there has been over 5,000 points accumulated for our school. Imagine the points we'd earn if all of us started working together to share our receipts! To learn more or sign up, please visit <http://app.shoparoo.com/r/plift506>.

If you have any questions, please don't hesitate to contact me at fanega.d@maritimecharter.org. I'm here to make our school's fundraising programs a huge success this year. Thanks for your help!

All the best,

Ms. Diane Fanega
