

# MACHS Student Services

Founded in 2003, Maritime Academy Charter School (MACHS) provides students in grades 2-12 a rigorous academic program with the special theme of maritime studies. MACHS students work with the latest technology to learn maritime content such as nautical science and maritime business, while achieving to high standards in Language Arts, Mathematics, Science, and the Arts.

Further details regarding counseling programs can be pointed towards our Director of Counseling Services,

## Lighting the Way

*Maritime industry news that guides our students towards understanding*

## Learning about School Counseling

As a Counseling Department, we offer many supports to our cadets, which include (but are not limited to): academic/career/college advising, social supports, friendship skills, self-esteem building, grief and loss counseling, anger management, conflict resolution, Character Counts (bullying prevention), stress management, relaxation techniques, and many more.

In the school counseling department at MACHS, all services are provided by school counselors, counselors-in-training and counseling interns, under the supervision of Ms. Michele Cuello Stallone, M.S. Ed. Students can be referred by themselves, teachers, the nurse or any other staff. We have an open door policy. All are welcome.

We support our cadet's behavioral health in order to promote academic success. If you are interested learning more about the counseling/guidance departments, please contact the Director of Counseling Services Ms. Stallone at [Stallone.m@maritimecharter.org](mailto:Stallone.m@maritimecharter.org) or the HS counselor Ms. Arnold at [Arnold.c@maritimecharter.org](mailto:Arnold.c@maritimecharter.org)
