June 12, 2020

Dear Maritime Families,

We are pleased to announce that our Summer Visions 2020 will begin on time. We are also pleased to announce that programming for Grades 1 to 4 will be in person, while programming for Grades 5 through 12 will remain virtual. To keep with social distancing guidelines, we are limiting the number of students for face-to-face programming to a maximum of 10 students per grade in grades 1 to 4.

The program is as follows:

Elementary School: Wednesday, July 1 – Wednesday August 12 (no program on Friday, July 3)

Grades 1 to 4 will report from 9:00 AM to 3:00 PM. Students may enter the building at 8:45 AM from the East yard and will be dismissed at 3:00 PM from the same yard. Breakfast and lunch will be served.

Grades 5 to 8 will work remotely from 9:30 AM to 11:30 AM. We will break from 11:30 AM to 12:00 Noon for lunch. PM programming will begin at 12:00 Noon and end at 3:00 PM.

High School: Monday, July 6 – Wednesday, August 12

Grades 9 to 12 will work remotely from 9:00 to 11:00 AM and from 12:00 to 2:00 PM.

School supplies and Chromebooks needed to participate in Summer Visions will be distributed to cadets in 5th to 8th grade according to the following schedule:

Monday, June 29, 2020 from 12:30 to 3:00 PM

Tuesday, June 30, 2020 from 9:00 AM to 3:00 PM

These materials can be picked up behind building 107 by the ramp to the lunchroom.

We are purposely limiting the number of students and staff involved in the programming to keep with CDC guidelines. Each student who is working remotely will receive an email inviting them to join a Google Classroom specific to the programs being offered. Please see the listing on the next page.

The safety of all involved in this program is essential. We will follow the recommendations of the state and our own safety measures in implementing the program. We realize that at any time, decisions may have to be made to address any issue that comes up in connection to student and staff safety.
