CLC Summer Adventures 2021

May 7, 2021

Dear Maritime Families,

As we write this letter, we are in the planning stages for our traditional 21st Century Nita M. Lowey summer CLC programming. We continue to monitor all CDC guidelines for our live programs. Unless directed otherwise by the State of Pennsylvania, we intend on holding a live summer program for both our Summer School cadets and those wanting Summer Enrichment activities. We will prioritize spots in the program for Summer School cadets first before bringing in Summer Enrichment activities.

Our traditional summer program is open to students entering Grades 1 to 8. We limit the number of participants to no more than 12 students in each grade following current CDC guidelines. Changes may occur as directed by the CDC. Summer programs are held Monday through Friday from 9:00 AM through 3:00 PM according to the following schedule:

Elementary School: Thursday, July 1 – Thursday August 12 (no program on Monday, July 5)

For the elementary school, the day consists of two components. The morning session is split between academic enrichment in RELA and Math. The afternoon session has opportunities for enrichment in less academic areas.

Applications are being distributed to all cadets in live instruction and posted on our website.

Applications will be received according to a first come, first served basis after our Summer School cadets have been enrolled. With the CDC limitations on enrollment, we may not be able to meet all requests for participation in summer programming. Please complete the entire application and return it to the main office, Building 11.

The safety of all involved in this program is essential. We will follow the recommendations of the state and our own safety measures in implementing the program.

Please check our website, www.maritimecharter.org, for updated information on our summer program.

Sincerely,

Mr. Stephen Hewitt
Assistant Principal/Program Director

Ms. Joyce Fanega
Program Director

Frequently Asked Questions

Q: Will summer programming follow any COVID guidelines?

A: Our summer CLC program will follow the most current CDC guidelines as it connects to social distancing, masks, etc. The school may also add additional guidelines as needed for local circumstances.

Q: My child currently attends Maritime Academy Charter School and is in good academic standing. Which program should I enroll him/her in?

A: Your child is the perfect candidate for the Summer Adventures program where he/she will receive academic lessons each day with an enrichment component in the afternoons. Remember, that we must focus our admission to the program this year on our cadets needing summer school.

Q: My child is in high school and has to attend summer school. Does he/she have to participate in the afternoon recreational activities?

A: High school students may enroll and attend the summer school classes. Please contact our high school for details.

Q: Where do I send the completed packet? When will I find out if my child is enrolled in the program?

A: Completed packets are to be dropped off or mailed to our main office, Building 11 to the attention of Mr. Hewitt. Enrollment is on a first-come, first-served basis, if you complete the packet your child will be enrolled unless we inform you that we are currently filled and your child will have to go on the waiting list. Admission information will be provided in mid-June.

Q: I enrolled my child but now have changed my mind. How do I go about canceling my enrollment?

If for any reason you need to cancel, please contact the Program Director as soon as possible at hewitt.s@maritimecharter.org or fanega.j@maritimecharter.org.

Additional Comments

If you have more than one child attending the Summer Adventure, please fill out a complete packet for each child.

Breakfast and lunch will be provided each day by Linton Services at no cost.

The grant for our CLC program does not include transportation. Families must arrange for drop off and pick up of students each day.

All funding for our CLC programming comes from the Nita M. Lowey 21st Century Community Learning Centers (21st CCLC) program.

Any and all changes to our Summer Adventures program will be announced on our school website, www.maritimecharter.org.
