Vaccines are an important part of keeping your kids healthy.

COVID-19 Vaccination for Ages 12-17

The CDC recommends everyone age 12 and older get a COVID-19 vaccination. Your child...

- Can only receive the Pfizer COVID-19 Vaccine
- Can NOT get COVID-19 from the vaccine
- Will get a second shot of the vaccine about three weeks after the first shot
- May get COVID-19 vaccine and other vaccines at the same time

Keeping Kids Safe From All Viruses

More children are getting sick from COVID-19 every day, especially because of the Delta variant. Children of all ages can:

- Be infected with the virus that causes COVID-19
- Get sick from COVID-19
- Spread Covid-19 to others
- Need to go to the hospital because of COVID-19 complications

Wear Masks Indoors

- Philadelphia Department of Health has mandated mask wearing indoors for individuals over the age of 2.

Maritime Academy Charter School will hold a second vaccination clinic on September 8th, 2021. We highly encourage all unvaccinated individuals to attend. You can also make an appointment at a city Vaccine Clinic via the link below or at your local pharmacy.
