SAT DAY
Students in grades 1-6 celebrated the 100th day of school by participating in an activity where they shared why they love Maritime. On the 101st day of school, students dressed up as dalmations.

**National School Counselor Week**

National School Counselors week was February 7th to 11th. Students showed their appreciation for our school counselors by making cards. We appreciate all that Ms. Brennan and Ms. Donovan do for our students.

**Middle and Elementary Happenings!**

February was a great month at the elementary school! Students made predictions on whether conversation hearts would float or sink in water, soda, and vinegar. The STEM Lab held its first ever class of 6th graders. Students learned how to make styrofoam in science class with Ms. Siranno! Students in Ms. Luu’s class learned about the Lunar New Year, and students celebrated Twosday!

**Someone You Love Dinner**

We held our 2nd Annual Someone You Love Dinner To Go. Families purchased heart shaped pizza dinners to share with someone they love.
