April 21, 2021

Dear Parent/Guardian,

Per Pennsylvania Department of Education guidelines, Maritime Academy Charter School will be administering the Spring 2021 PSSA test to all eligible cadets in grades 3 to 8 starting Monday, May 3rd. Cadets will be tested in English Language Arts and mathematics. Cadets in grades 4 and 8 will also be tested in science. All testing must be done in school under the guidance of an authorized proctor. Testing will take place over the course of several sessions. Students will be taking the PSSA during their normal hybrid school day.

For A Day rostered hybrid students, testing will be administered during the following dates:

- **Monday, May 3rd; Wednesday, May 5th; and Monday, May 10th. For students in 4th and 8th grades, the science PSSA will be administered on Monday, May 17th.**

For B Day rostered hybrid students, testing will be administered during the following dates:

- **Tuesday, May 4th; Thursday, May 6th; and Tuesday, May 11th. For students in 4th and 8th grades, the science PSSA will be administered on Thursday, May 20th.**

For PSSA testing; Cadets are expected to bring their fully charged chromebooks and their charger for testing. Cadets will also be provided breakfast and lunch.

If your child is not feeling well, please do not send them to school. Please contact Mr. Saunders at saunders.p@maritimecharter.org and Ms. Fanega at fanega.j@maritimecharter.org so that we can reschedule testing for your child.

Sincerely,

Peter Saunders
Elementary School Principal
