## ACADEMICS

MACS enrolls cadets in grades K-12. In grades K-8, the emphasis is on developing foundational skills in the core subjects of mathematics, English, science, and social studies. In high school, there is an increased concentration of courses in maritime studies and opportunities for cooperative work experiences with maritime industries. Each grade group has a grade leader and a team of core subject teachers. Our teachers focus on the educational and developmental needs of our cadets.

### **I. ADVISORY**

During Advisory, cadets will receive breakfast, recite the Pledge of Allegiance, and listen to school announcements. Cadets receive a grade for Advisory. Cadets may not leave Advisory after the bell rings without a pass.

### **II. GRADES, PROMOTION, AND RETENTION**

#### **A. Grade Distribution**

A	=	100 – 94
A-	=	93 – 90
B+	=	89 – 87
B	=	86 – 83
B-	=	82 – 80
C+	=	79 – 77
C	=	76 – 73
C-	=	72 – 70
D+	=	69 – 67
D	=	66 – 65
NP (Not Passing)	=	64 and below
NG	=	No grade

#### **B. Honor Roll Recognition**

Cadets will be recognized for perfect attendance, including punctuality. Perfect attendance includes no latenesses or absences. Cadets may receive honors and earn certificates of achievement in each subject area.

All cadets should strive for Honor Roll status:

All As	1 <sup>st</sup> Honors
All As & Bs	2 <sup>nd</sup> Honors

#### **C. Promotion and Retention**

In the elementary school, cadets who pass all subjects for the year will be promoted to the next grade. A cadet will be retained in their current grade if they fail two core subjects. If a cadet fails one core subject, **they must attend and pass summer school** to be promoted. **Failure to attend or pass summer school will result in retention.**

All high school cadets must earn a specific number of course credits each year to be promoted to the next grade. **In order to be promoted, cadets must pass all required classes during the school year or complete an approved Summer School Program.** Additionally, cadets are required to complete 20 hours of community service each school year.

In order for cadets to receive a MACS high school diploma, they must have earned a minimum of 24 course credits by June of their graduating year. The schedule for accumulation of course credits for each grade level is listed below:

- Promotion from 9<sup>th</sup> to 10<sup>th</sup> grade – **6** credits
- Promotion from 10<sup>th</sup> to 11<sup>th</sup> grade – **12** credits
- Promotion from 11<sup>th</sup> to 12<sup>th</sup> grade – **18** credits

To receive a high school diploma, cadets must:

1. Earn a minimum of 24 credits
  - 4 English credits
  - 3 Math credits
  - 4 Science credits
  - 3 Social Studies credits
  - 1 Maritime credit
  - 1 Physical Education credit
  - .5 Health credit
  - 2 Foreign Language credits
  - 2 Humanities credits
  - 3 Elective credits
2. Score PROFICIENT or higher on the Algebra I and English Literature Keystone Exams, or complete an equivalent project. Beginning with the class of 2020, cadets must score PROFICIENT on the Algebra I, Biology, and English Literature Keystone Exams in order to receive a diploma in Pennsylvania.
3. Successfully complete the Senior Project.

#### **D. Homework Policy**

Each teacher at MACS reinforces classroom instruction by assigning homework. Homework must be completed and submitted on the due date. Staff is available to assist cadets with homework assignments. If cadets are absent for more than three (3) days due to illness, parent(s)/guardian(s) should contact the teachers and request homework.

#### **E. Teacher Office Hours & Extra Help**

Teachers will inform cadets of their availability for conferences and for extra help. Cadets may also receive extra help during:

- After school homework computer lab (with the supervision of an adult)
- After school tutoring
- Lunchtime tutoring
- Saturday School

No cadet is to remain after school unless under the direct supervision of a faculty member.

### **III. TESTING**

#### **A. Midterms & Finals Examinations**

Mid-year examinations are administered in January. Finals occur in June. Examination schedules are distributed to parent(s)/guardian(s) prior to the testing dates. The following guidelines apply for these examinations:

- Absence from any exam due to illness must be verified by a doctor's note.
- Make-up exams will be given after the absence is verified.
- Any cadet found cheating on an exam will receive a grade of zero.

- Cadets who do not take the final exam will receive an **INCOMPLETE** for the course.

### **B. Keystone Exams**

High school cadets will be required to complete and pass a series of Keystone Exams prior to graduation. The tests measure achievement in reading, mathematics, science, and writing. Results of the tests are distributed to parent(s)/guardian(s) and a copy is placed in the cadet's school file. All cadets are expected to seek **PROFICIENT** (grade level) or **ADVANCED** performance. Any cadet who receives a grade of **BASIC** or **BELOW BASIC** is required to attend mandatory tutoring. Starting with the Class of 2020, all cadets in Pennsylvania will be required to score **PROFICIENT** or higher on the Algebra I, English Literature, and Biology Keystone Exams.

## **IV. STUDENT PROGRESS REPORTS**

### **A. Interim Reports**

- Interim reports are issued at the mid-point of each marking period.
- An ongoing record of progress is available on PowerSchool.
- At the end of each marking period, report cards will be distributed during parent-teacher conferences. Unclaimed report cards will be mailed to parent(s)/guardian(s).
- Parent(s)/guardian(s) of cadets who have failed a course(s) will be notified regarding the need for summer school.

### **B. Parent-Teacher Conferences**

In addition to Back-to-School Night in September, parent-teacher progress report conferences are scheduled in November, January and April. Dates of the parent conferences will be published on MACS' website.

## **V. SPECIAL EDUCATION**

Maritime cadets with an Individualized Education Plan (IEP) are rostered in accordance with specific needs within the Least Restricted Environment. New cadets must submit all documentation for the IEP to ensure appropriate placement.

## **VI. EXTRA-CURRICULAR ACTIVITIES**

Cadets are encouraged to participate in athletics and after school activities. If a cadet is not passing all classes, he or she shall be ineligible for athletic competition for five (5) school days. Furthermore, cadets may not be dismissed early from school to attend any games or meets, and cannot be dressed for competition during the time of ineligibility. MACS reserves the right to approve outside guests.

### **A. Athletics**

Any cadet participating in a school sport program must follow PIAA and Maritime Academy Charter School eligibility rules. A copy of the "PIAA and Maritime Academy Charter School Athletic Eligibility Rules" can be obtained from the athletic director.

### **B. Field Trips**

MACS offers a variety of instructional field trips, especially those that focus on maritime and ecological themes. Written parent(s)/guardian(s) consent forms are required for all trips. Payments for trips must be submitted by the deadline stated. Cadets with extensive disciplinary records may be prohibited from attending field trips. All chaperones must have state and federal clearances.

### **C. Dances**

- No one over the age of 20 will be permitted

- Cadets must attend school on the day of the dance if they want to attend the dance.
- Cadets may not reenter the building after they leave.
- Non-MACS cadets must obtain a letter from their school administrator indicating good standing and present the letter to MACS' assistant principal one week before the dance.
- Non-MACS cadets attending the prom must be approved by the principal and CEO and must show ID.
- The CEO/principal must approve all former cadets of MACS attending the prom.

#### **D. Assemblies**

Assemblies/grade meetings are conducted to provide a complementary learning experience and to foster a sense of community in school. Exemplary conduct from cadets is expected.

During assemblies, cadets must:

- Follow directions for seating
- Place all personal items in the space(s) provided
- Remember that food and beverages are not allowed
- Show respect and courtesy to all presenters; use proper academic posture
- Give the program their full attention

### **VII. STUDY HALL, DETENTION, AND SATURDAY SCHOOL**

#### **A. Mandatory Study Hall/Detention**

Occasionally, cadets need extra time to successfully complete their classwork, homework, projects, etc. Cadets may be assigned to mandatory Study Hall by a teacher to complete this work. Mandatory Study Hall is held on Tuesdays, Wednesdays, and Thursdays after school from 2:45 p.m. – 3:45 p.m. Cadets must stay the entire hour. Mandatory Study Hall rosters are posted in the main office. It is the cadet's responsibility to attend. Failure to attend will result in a Saturday School assignment in order to complete the work. Mandatory detentions for violations of rules are also held on Tuesdays, Wednesdays, and Thursdays.

#### **B. Saturday School Assignment**

A cadet may be rostered for a Saturday School assignment due to excessive unexcused absences (6), unexcused tardies (6), failure to attend mandatory Study Hall, or other reasons deemed necessary by the principal or assistant principal. Saturday School is held at the high school every Saturday from 9:00 a.m. – 12:00 p.m., except on holiday weekends. Parent(s)/guardian(s) will be notified by mail if a cadet receives a Saturday School assignment. Cadets do not have to be in school uniform, but they must be on time and have schoolwork with them to complete. If a cadet fails to attend, parent(s)/guardian(s) must come to school on Monday morning to discuss appropriate interventions.

### **VIII. WITHDRAWAL**

Any cadet requesting withdrawal from MACS must meet with the principal. School administration must be informed of the intended withdrawal date and the school to which the cadet is transferring. Parent(s)/guardian(s) must sign a release of information form prior to the release of any records. All MACS textbooks and property must be returned.

## **CADET LIFE**

### **I. CADET HEALTH**

#### **A. Injuries and Illnesses**

Cadets who become ill or injured during the school day can report to the nurse with a note from a teacher. The school nurse will contact parent(s)/guardian(s) in the event that the illness or injury

requires the cadet to leave the school. The authorized parent/guardian must provide proper identification in order for the cadet to be released from school premises. In emergency situations that require transportation to the hospital, the parent/guardian will be notified and the cadet will be accompanied by staff to the nearest hospital. The staff member will remain at the hospital until the parent/guardian arrives.

Only the school nurse or an administrator will contact a parent/guardian if the cadet is too ill to remain in school.

Cadets should not come to school when ill or recovering from an injury.

Long-term illnesses are to be reported to the principal. During long-term illnesses, homebound instruction or other arrangements may be available at the recommendation of a physician or school administrator.

A doctor's note is required when the cadet returns to school.

### **B. Immunization Records**

All cadets must be completely immunized, or risk being excluded from school. Immunizations are required by the Pennsylvania Department of Health and the Philadelphia County Board of Health. MACS works to protect cadets from preventable, communicable diseases. The school nurse reviews medical records for compliance. Cadets who lack certain immunizations will be excluded from school until proof of required immunization is submitted to the school. **This is a state mandate.**

### **C. Prescription and Non-Prescription Medication**

Cadets requiring prescription medication during school hours must obtain the "Request for Administration of Medication" form from the school nurse. The form is to be completed and signed by the cadet's doctor and parent/guardian and returned to the school nurse BEFORE the nurse can administer the medication. In the absence of the nurse, the school assistant principal monitors medication.

Parents/guardians should notify the school nurse of any medication that a cadet takes daily. Parent(s)/guardian(s) should notify the school staff of any side-effects of the medication. A cadet who uses an inhaler must give it to the nurse at the beginning of the school day. An inhaler may be dropped off in the morning to the nurse and picked up at dismissal time.

Non-prescription medication may not be sent to school with cadets unless accompanied by a note from the parent/guardian identifying the medication, the reason for its use, the proper dosage, and the time for it to be taken. **Under no circumstances should cadets carry more medication than the prescription dosage during school hours.** Medications that must be administered over an extended period are to be given to the school nurse or assistant principal for dispensing. **CADETS ARE NOT TO SHARE THEIR MEDICATION WITH OTHER CADETS; THIS INCLUDES INHALERS.**

## **II. CADET SERVICES**

### **A. Homeless Cadets**

The McKinney-Vento Homeless Education Assistance Act was incorporated into the No Child Left Behind Act. It ensures educational rights and protections for children and youth experiencing homelessness. The federal government's legal definition of homelessness (based on the McKinney - Vento Homeless Education Assistance Act) includes anyone who lacks a regular, fixed, and

adequate nighttime residence (substandard housing); is sharing housing due to loss of permanent housing or economic hardship; is living in a shelter, hotel or motel; is living in a public place not designated for sleeping (cars, parks); is an unaccompanied youth; is a child or youth awaiting foster care placement; is a child or youth abandoned in a hospital; or is a migrant child who qualifies under any of the above.

The McKinney-Vento Homeless Education Assistance Act requires districts to ensure homeless children and youth have access to education and other services they need to meet the same high academic achievement standards as all other students. All local school districts must designate a Homeless Liaison. The Homeless Liaison must ensure that homeless children and youth are identified and receive educational services. Homeless children and youth have the right to enroll in school immediately. Parents/guardians can request continued enrollment in the school attended prior to becoming homeless or at the local school for the current residence. MACS' Homeless Liaison is the Director of Specialized Services, Mrs. Kimberley Bonanni. For further information, please contact 215-535-4555 ext. 1208.

### **B. Guidance**

A cadet may request a conference with a guidance counselor for confidential advice or academic guidance. Cadets, as well as parents/guardians, are welcome to make an appointment to see counseling personnel. Please contact the school office for an appointment.

### **C. Cadet Records: Family Education Rights and Privacy Act (FERPA)**

Parent(s)/guardian(s) have access to cadets' education records. Access rights consist of:

- The right to inspect and review the contents of education records
- The right to obtain one copy of the education records at no charge; and additional copies for a fee
- The right to receive an explanation and interpretation of the educational records from school personnel
- The right to a hearing to challenge the contents of the education records
- The right to bring an advocate to review records

Parent(s)/guardian(s) must sign an official request form to review records. Access will be granted within forty-five (45) days of the written request.

MACS does not permit access to or release of a cadet's school record to third parties without the parent's/guardian's written consent. However, school records may be released to other MACS personnel or to another school system to which a cadet transfers.

Also, in compliance with a judicial order or subpoena, education records may be released without parent/guardian consent provided parent(s)/guardian(s) are notified in advance.

MACS will withhold records with a written request from parents/guardians.

### **D. English Language Learner Program (ELL)**

Maritime Academy Charter School is dedicated to providing an excellent education for all enrolled cadets. As a part of our enrollment process, parents are asked if their child has a first language, other than English. If so, cadets are screened using the state mandated WIDA screener tool. Upon completion of the screener, parents are notified if their child is eligible for the ELL program. At

that time, parents may choose to accept placement into this program or opt out. All of this is completed within thirty (30) days of the start of the school year.

Our ELL program is designed to improve English language proficiency in the areas of Speaking, Listening, Reading, and Writing. Cadets receive either small group instruction or in-classroom support, dependent on their level of need, by a certified ESL teacher. Additionally, the ESL teacher works with the classroom teachers in providing supports and modifications for the cadet. All instruction is completed in English.

Each year, our ELL cadets take the state mandated WIDA test to determine growth in the areas of Listening, Reading, Speaking, and Writing. Parents are notified if their child will need continued instruction or if they have attained proficiency and may be exited from the program. Students are then monitored, by the ESL teacher, for four years following the cadet's exit from the program.

An English Language Learner (ELL) student may not be retained in a grade due to limited English proficiency (as assessed by the annual English proficiency test – WIDA) in the areas of Reading, Speaking, Writing, and Listening.

### **III. CADET GUIDELINES**

#### **A. Cafeteria Procedures**

Cadets must remain on school premises for lunch. Violators will be suspended. In the cafeteria, cadets will:

- Respect all cafeteria staff
- Have a hall pass to leave the cafeteria
- Get in line without pushing and running
- Not jump the line

- Avoid shouting across the room and speak in conversational tones
- Abide by the rules listed in the electronic device policy in the Code of Conduct

#### **D. Hall Passes**

Cadets are **NOT** permitted to be in the hallways without a hall pass issued by the teacher. Cadets must also obtain a hall pass to go to the nurse.

#### **E. ID Cards**

All cadets will be issued photo identification cards. A replacement card costs \$5.00.

#### **F. Lockers/Desks**

Lockers are the property of MACS. The administration of MACS reserves the right to enter lockers at any time without permission. Cadets are not to share lockers or locker combinations. Cadets will be held accountable for all items in their lockers, whether they belong to the cadet or anyone else.

#### **G. Lost & Found**

Cadets who have lost glasses, clothing, book bags, and textbooks should report to the assistant principal to retrieve the items. Cadets who find lost items should bring them to the main office.

#### **H. Restroom**

Cadets may use the restrooms with the permission of teachers or other staff members. Cadets vandalizing or displaying inappropriate behavior will be subject to the disciplinary action listed in the Code of Conduct. #### **I. Skateboards**

The use of skateboards is not permitted on the school property.

#### **J. Textbooks**

Cadets must show respect and take responsibility for school property. This includes the proper care of textbooks, supplies, or equipment provided for their educational use. Cadets and/or parents/guardians will be penalized for lost or damaged textbooks. One or more of the following penalties may apply:

- Cadets will be charged for replacement of lost or severely damaged textbook(s).
- Cadets will not be issued a report card until the issue is resolved.

**Cadets will complete a textbook slip for every book issued. The textbooks will be numbered and entered into a database for identification.**

#### **K. TransPasses**

SEPTA provides complimentary TransPasses to cadets in grades 9 through 12 who reside in the city and further than 1½ miles from school. If a cadet loses a TransPass, he/she must purchase a replacement. TransPasses are for use by the cadet to whom they are issued. TransPasses are not transferable.

### **DRESS CODE**

The appearance of the student is the duty of both the parent/guardian and the student and must conform to the educational environment and decorum of the school. Any appearance deemed by the school staff to be inappropriate in an educational setting will be referred to the principal or assistant principal for determination.

Cadets are required to wear the designated school uniform. Those who do not comply with this policy will be subject to immediate disciplinary action. If a cadet does not comply with the dress Code:

- Parent(s)/guardian(s) will be contacted to deliver the uniform to the school
- Cadets will be supplied appropriate uniform items, if available from the donation closet
- Cadets will be given a uniform at their expense

- Cadets will be required to change
- Any items worn that are not part of the MACS dress code will be confiscated and held until a parent/guardian claims the item(s).

Cadet attire should demonstrate respect for self, for others, and for an atmosphere of learning. Administration reserves the right to determine appropriate dress. MACS' Code of Conduct clarifies consequences for cadets who repeatedly choose to not follow the uniform and/or dress-down day policies.

## **I. CADET UNIFORMS**

**All required uniform garments should be purchased through a school approved vendor (additional information in the main office).**

## SCHOOL SAFETY

### **I. EMERGENCY PROCEDURES**

Emergency drill procedures found in the Crisis Response Plan will be reviewed with cadets during various times throughout the school year. Cadets will be informed of the proper procedures as found in the Crisis Response Plan.

#### **A. Fire Drills**

Fire drills will be held throughout the school year. When the fire alarm sounds, cadets must proceed out of the building via the designated exit. The teachers and administrators will direct cadets to their assigned location. Cadets must move silently and in an orderly fashion during fire drills. **Cadets who jeopardize the safety of the school by pulling the fire alarm unnecessarily may be arrested.**

#### **B. Lockdown Drills**

Under extenuating circumstances, the administration may announce a school lockdown. A room-to-room visit or public address over the loud speaker of “**LOCKDOWN**” begins a lockdown procedure. Cadets must follow the instructions given by the teacher/adult.

### **II. SECURITY PROGRAM**

For the protection of MACS cadets and employees, metal detectors are sometimes used to scan all high school cadets. When this occurs, bags and pockets may be checked. If a credible complaint is received indicating that a cadet is in possession of contraband, the administration reserves the right to search the cadet.

If any contraband, illegal drugs, cigarettes, lighters, or vape devices are discovered in a cadet’s possession, the item(s) will be confiscated. If appropriate, a cadet may be subject to disciplinary action, which may result in an expulsion hearing.

### **III. VISITORS**

Parents/guardians are encouraged to visit MACS. All visitors must enter through the Tilton Street visitor’s entrance of the building, report to the main office, sign in, present identification, obtain a visitor’s pass, and sign out before leaving the facility. **Anyone found in the building without a visitor’s pass is considered trespassing and is subject to arrest.**

Upon receipt of a written request, all parents/guardians are welcome to observe their child’s classroom. However, parents/guardians must supply the principal with all the necessary information three days prior to the desired observation date(s). The information is listed on the MACS School/Classroom Observation Request Form.

### **IV. EMERGENCY CLOSINGS & DELAYS**

MACS’s KYW News Radio school closing number is “**607**”

Closing/delay of school prior to the opening of school:

- When the School District of Philadelphia closes/delays all schools, MACS will also be closed/delayed. Listen to KYW or watch any local TV news station for all closing/delay information.

Closing of school during the school day:

- If severe weather conditions arise after the school day has started, every effort will be made to have information of an early closing broadcast on KYW. Parents/guardians will be notified via an automated calling system. Current contact numbers must be up-to-date at all times.

The faculty and staff of MACS wish all cadets a great school year. Our hope is that all cadets excel academically and develop excellent character. Remember The Six Pillars of character:

**Trustworthiness - Respect - Responsibility - Fairness - Caring - Citizenship**

**Maritime Academy Charter School does not discriminate on the basis of race, sexual orientation, religion, ethnicity, sex, gender identity, or physical mental ability.**

### **Non- Discrimination as to Transgender and Gender Non-Conforming Youth**

MACS is committed to providing a safe and welcoming learning environment for all students. MACS' guidelines and policies comply with Regulation No. 9 as outlined by the Philadelphia Commission on Human Relations.

**MARITIME ACADEMY CHARTER SCHOOL RESERVES THE RIGHT TO AMEND THE CADET HANDBOOK. PARENTS/GUARDIANS WILL BE NOTIFIED WHEN CHANGES OCCUR.**

## **Cadet Code of Conduct** **2023-2024 School Year**

This Cadet Code of Conduct applies to all situations where school employees have jurisdiction over the cadets, including, but not limited to, while the cadets are in the school, on their way to or from the school, on school buses including buses owned and operated by school districts in Pennsylvania, on the school premises, on a field trip, in our Before and After School Care programs, at any extra-curricular activity or at any school sponsored event.

Important Note: Due to confidentiality requirements, Maritime Academy is unable to provide information regarding a cadet's disciplinary consequences to other cadets and/or the families of other cadets.

### **Behavior Code**

Maritime Academy Charter School has high expectations for all cadets. In order for cadets to reach their potential, classrooms and schools must be free of disruptive behavior. Maintaining good discipline within the school is also a community responsibility. Parents must be familiar with and supportive of school standards and work closely with the school staff. Whenever possible, a teacher will ask parents for help in correcting a problem. If the situation continues or is serious, the teacher will seek assistance from the Principal or Principal's designee. Our school does not discriminate on the basis of race, gender, economic status, medical/handicapping condition, national origin, or any other personal characteristics in regard to disciplinary actions against cadets. Rules and regulations apply to school grounds and premises during the following times: before, during, and after school hours; anytime school buildings or grounds are used by a school group; off school grounds at any school function or event; when traveling to and from school, or school function; at bus stops; or at any time or place which may affect an educational function or be associated with the school. Cadets are

expected to maintain the highest standards of academic honesty and integrity. Violation of this Code may result in expulsion from Maritime Academy Charter School.

Cadets have the responsibility to ensure that their conduct contributes to a safe and orderly atmosphere while being transported, to refrain from conduct which will offer a hazard to themselves, their fellow cadets, or the general public, and to refrain from violating federal, state or local laws, and/or school policies. Cadets have the responsibility not to endanger themselves, other cadets, school personnel, or the general public by possessing material or objects which are potentially hazardous and/or prohibited by federal, state or local law, or school policy.

Examples for most rules are provided. The range of consequences for violations accompanies each rule. The school administrator will determine the level of the consequence based on such factors as the age of the cadet, number and nature of prior offenses, and the severity of the offense being addressed.

Should any of these policies conflict with any state or federal law or regulation, the state or federal law or regulation takes precedence.

The school does not permit employees to use corporal punishment (the physical striking of a cadet, or certain required repetitive activities, as a disciplinary measure) in disciplining a cadet. It is recognized that reasonable use of physical force and restraint may be necessary to stop a disturbance threatening physical injury to others, to obtain possession of dangerous objects from cadets, for the purpose of self-defense, or for the protection of persons.

Depending upon the offense, teachers and/or administrators may use various means in an attempt to influence cadet behavior including, but not limited to, counseling with the cadet, assigning detentions, having conferences with parents, assigning extra responsibilities or time in school, placing the cadet in a "time-out" or in-school suspension room (with adult supervision), assigning community service projects in conjunction with parent input, referral to an intervention team, or removing a child from class (for a day) pending review of the situation. The Principal or Principal's designee may remove the cadet from the class for more than one (1) day if this consequence would be beneficial in solving the problem. The Principal or Principal's designee may use any of those means, or after conducting an appropriate investigation, may suspend a cadet for up to 10 days and, in some cases, may recommend a cadet be placed in an alternative program or expelled. The Principal or Principal's designee also may establish rules and regulations, as long as they are consistent with this Code of Conduct and the policies established by the Board. If it is determined after an informal hearing that a cadet's presence in his/her normal class would constitute a threat to the health, safety or welfare of others and it is not possible to hold a formal hearing within the period of suspension, the cadet may be excluded from school for more than 10 school days. A cadet may not be excluded from school for longer than 15 school days without a formal hearing unless mutually agreed upon by the parties (school officials and parent/guardian).

## **Search and Seizure Policy**

This policy is to maintain order and discipline in the school and to protect the safety and welfare of cadets and school personnel. School authorities may search a cadet, cadet use areas, cadet lockers or cadet automobiles under the circumstances outlined below and may seize any illegal, unauthorized, or contraband materials discovered in the search. The Principal or another staff person designated by the Principal may request a search be conducted by the Campus Safety Department. A cadet's failure to

permit searches and seizures as outlined in this policy will be considered grounds for disciplinary action and immediate removal from campus.

## **I. Personal Searches**

A cadet's person and/or personal effects (e.g., purse, backpack, book bag, etc.) may be searched whenever a school authority has reasonable suspicion to believe that the cadet is in possession of illegal or unauthorized materials and/or as a result of security sweep specifying ongoing (daily) or random searches.

- a. Cadets will be escorted to a private office and campus safety officer or designee will conduct the search, with at least one other adult witness. A staff member of the same sex as the cadet **MUST** be present.
- b. Standard searches consist of:
  - The cadet removing all outer garments (coats, hats, gloves, vests, belts, shoes, etc.) and handing them to staff member and/or placing them on a table for inspection.
  - Staff will inspect outer garment items and will lay out all items found for viewing.
  - Cadet will turn out all pockets and pull up pant legs and place contents of pockets on the table/desk for staff review.
  - Cadet will lift up each foot, so staff can view bottom of feet/sock.
  - A metal detection wand may also be used.
- c. Cadets wearing multiple layers of clothes, for example two pair of pants, may be asked to remove the outer layer or garment.
- d. If a pat down search of a cadet's person is conducted it will be conducted in private by a school official of the same sex and with campus safety officer present, and only when authorized by Maritime Academy Charter School CEO or designee.

## **II. Cadet Use Areas**

Instructional rooms and areas of cadet use are school property and remain at all times under the control of the school; however, cadets are expected to assume full responsibility for the security and condition of their own work areas. Periodic general inspections of rooms and other areas of the school may be conducted by school authorities for any reason at any time without notice, without cadet consent, and without a search warrant.

## **III. Automobile Searches**

Cadets are permitted to park on school premises as a matter of privilege, not of right. The school retains authority to conduct searches of the interiors of a cadet vehicle and may be done whenever a school authority has reasonable suspicion to believe that illegal or unauthorized materials are contained inside. Such inspections may be conducted with notice, with or without cadet consent and without a search warrant. Failure to unlock a vehicle will lead to immediate removal of parking privileges on MACS property and possible disciplinary actions.

## **IV. Locker and Desk Searches**

Cadet lockers and desks are school property and remain at all times under the control of the school; however, cadets are expected to assume full responsibility for the security of their lockers. Periodic general inspections of lockers may be conducted by school authorities for any reason at any time without notice, without cadet consent, and without a search warrant.

#### **V. Seizure of Illegal Materials**

If a properly conducted search yields illegal or contraband materials, such findings shall be turned over to proper legal authorities for ultimate disposition. Additionally, possession of illegal materials will result in disciplinary action up to expulsion.

#### **VI. Return/Disposal of Confiscated Items**

Materials confiscated by school personnel, not deemed illegal or contraband, will be held for parent pick-up in a designated area within the school building. Written documentation of items seized will be kept on file within the school building and parents may request a copy of the Search & Seizure report. The building administrator or designee reserves the right to dispose of confiscated items at the conclusion of the school year, if retrieval has not been made.

### **Attendance and Truancy Policy**

Attendance during the days and hours in which school is in session is required of all Maritime Academy cadets. The MACS Board of Trustees and the MACS administration expect that the families of all cadets enrolled in MACS have chosen the school for the strength and challenge of the academic programs offered, and therefore will ensure the cadet attends school regularly in accordance with the laws of the state of Pennsylvania. Failure to comply will not only interfere with the continuity of the cadet's education and academic growth, it may result in the loss of academic credit. Legal prosecution for truancy as dictated by the state for both parent and child, consequences as outlined in this Code, and/or referral to the Board of Trustees for potential additional consequences.

For the purposes of implementing this policy, MACS considers 3 unexcused tardy arrivals as 1 unlawful absence. For the purposes of implementing this policy, MACS considers 3 unexcused early dismissals as 1 unlawful absence. Therefore, throughout this policy, reference to unexcused/unlawful absence shall be meant to include actual unlawful absences and/or the equivalent accrued from unlawful tardy arrivals and/or unlawful early dismissals.

#### **Academic Credit and School Attendance**

In order to earn academic credit for courses taken, cadets may not have more than 10 absences from class for a semester-long course, or 20 absences from class for a yearlong course. Cadets exceeding the allotted number of days absent from class may not receive credit for the course, which may affect promotion to the next grade level and/or graduation. If a cadet's absences exceed the allotted days, the Principal will decide, on a case by case basis, if the course grade remains intact, becomes an automatic failure with no credit for the course being granted or is reported as an incomplete grade with stipulations that must be met before a grade and/or credit can be issued. The decision can be reviewed, first by the CEO, and then by the MACS Board of Trustees, upon written request of the parent/guardian of the cadet.

#### **Academic Day**

Kindergarten through 8th Grade: 7:35 am to 2:45 pm  
9th through 12th Grade: 7:30 am to 2:30 pm

Cadets must be present in their homeroom by the start of their academic day.

### **Lawful - Excused Absences/Excused Tardiness/Excused Early Dismissals**

1. Personal illness.
2. A visit to a medical professional. A note from doctor or dentist is required to consider this as excused.
3. Serious illness in the immediate family living in the same home.
4. Quarantine ordered by a local or State health office. Official documentation is required.
5. Court or administrative proceedings if the cadet is a party to the action or has been subpoenaed as a witness. Official documentation is required to consider this as excused.
6. Observance of a religious holiday if the religious tenets to which the cadet adheres require observance of the holiday. Only one day of absence will be excused for a religious holiday unless multiple days of absence have been pre-approved in accordance with the Planned Absence section of this policy - see below.
7. Death in the family.
8. Lack of proper immunizations, medical exams or waiver (one day only). Additionally, cadets may be excluded from school for failing to provide required immunization records. Only one day of absence for the exclusion is excused.
9. Nurse exclusion: For the day(s) the cadet is sent home for medical reasons. A note must be provided if the absence continues to the next day or subsequent days unless those days are specifically listed as part of the nurse exclusion.
10. Educational opportunities or family trips that are pre-approved in accordance with the Planned Absence section of this policy - see below.
11. College visits that are pre-approved by the principal. Official documentation confirming the appointment interview may be required to consider as excused, in accordance with the College Visit section of this policy.
12. Other absences as approved by the Principal or Principal's designee.
13. Out-of-school suspensions. A cadet who is suspended is absent but counted as an excused absence for reporting purposes.

### **Unlawful - Unexcused Absences/Unexcused Tardiness/Unexcused Early Dismissals**

1. A parent or medical/professional note was not supplied to the school within two days of the cadet's return from absence that provided an acceptable explanation for the absence/tardiness/dismissal.
2. Cadet not present in homeroom by the start of school.
3. Missing the bus and/or no transportation to/from school.
4. Lack of proper immunizations or waiver after the first day.
5. Lack of proper uniform, without Principal's permission, after the first day.
6. Loss of bus privilege or lack of transportation.
7. Family/educational trips, visits, etc. that were not pre-approved or for which approval was not granted.
8. Other reasons not noted as excused.

### **Tardiness**

Cadets in Kindergarten through 8th grade, must be present in their homeroom by 7:35 am. Cadets in 9th grade through 12th grade, must be present in their homeroom by 7:30 am. A cadet is considered tardy if he/she is not present or checked into homeroom by the start time. A cadet is not counted as tardy if their bus arrives late to MACS. A cadet who does not attend a minimum of four hours of

school will be counted as absent for the full day. If your child is going to be late to school, provide your child with a signed note explaining the reason for being tardy. (See Notes section that follows for more information.) 3 unexcused tardy arrivals = 1 unlawful absence.

### **Absences**

If your child is going to be absent from school, report your child's absence by calling Maritime Academy. If your child will be out of school for several days due to an extended illness, such as the chicken pox, one call at the start of the absence is sufficient. When your child returns to school, provide your child with a signed absence excuse note indicating the dates and reason for the absence. (See Notes section that follows for more information.)

All absences are treated as unexcused/unlawful unless the school receives the required note. Six (6) unexcused/unlawful absences initiates the truancy reporting process. Medical absences beyond 3 consecutive days, that are not planned absences (see Planned Absences section that follows for more information), require a medical note from a physician's office to be excused. 10 days of cumulative absence during a school year is the maximum number of days that MACS will excuse upon receipt of a parent note. All absences beyond 20 in a school year, whether excused or unexcused, will require a medical note from a physician's office to be excused. (Principal approved absences for college visits and absences for which medical documentation has already been supplied to the school will not count toward the 10 day limit.) When this is required, parents will be notified in writing by the school. Failure to comply by providing the required medical note from a physician's office will result in all subsequent absences for which the required notes are not received remaining unlawful and reportable as truant. Chronic illness may be documented by a medical doctor and submitted to the school health professional to review for exemption from securing a separate medical excuse for each absence exceeding the 10 allowed to be excused with a parent note. If authorized, a parent note is still required for each incident of absence. The parent note must reference, as the reason for the absence, the chronic illness documented and on file in the MACS health office. To be considered valid, all medical notes must in compliance with PA School Code, be provided by practitioners licensed to practice in Pennsylvania.

### **Planned Absences**

Planned absences are absences from school for any reason that could reasonably be known in advance of the absence occurring, including but not limited to: family trips, religious instruction (up to 36 hours per school year), observance of a religious holiday requiring more than one day of absence, college visits, cadet conferences, medical procedures, etc. MACS cadets may be excused from school attendance for planned absences, provided approval for the absences is obtained at least two weeks in advance from the Principal. Planned absence days are counted toward the threshold requiring medical notes from a physician's office. (See Absences section above.) Lengthy absences may result in the loss of academic credit, as planned absences tally toward the allotted days that may be missed in order to earn credit.

Parents must submit the official Request for Approval of Planned Absences form to the appropriate Principal no less than two weeks prior to the first date of absence or the request may be denied. Forms for approval will not be accepted after the absence dates. The forms are available in the MACS Main Offices and on the MACS website ([www.maritimecharter.org](http://www.maritimecharter.org)). Current and historical attendance, academic and behavior records, along with the reason for the planned absence will be reviewed for each planned absence request. Up to 10 days per school year will be considered for planned absences, with the exception of college visits at the principal's discretion, and medical procedures if deemed necessary and medically documented in advance by a medical professional. Should a cadet's planned absence extend beyond the approved time, each additional day will be classified as unlawful and/or

unexcused. There will be no planned absences approved during the first two weeks of school, with the exception of medical procedures if deemed necessary by a medical professional. Cadets will not be excused from school on dates when standardized testing or mid-term/final exams are scheduled, with the exception of medical procedures if deemed necessary by a medical professional. Families with multiple children at MACS should use a separate request form for each child when requesting absences for the same dates. If one child is determined ineligible, siblings may also be deemed ineligible. Parents will be informed in writing when the dates requested are approved or the reason(s) the request is denied. Pre-planned absences that were requested and not approved, and for which the cadet does not attend school are unlawful/unexcused absences and subject to truancy reporting. Additionally, if the absence(s) is unexcused, make up work, test and quiz grades will be reduced by 10%. Notes/Request for Approval forms will not be accepted after a planned but unapproved absence occurs and the days will be unexcused. All missed schoolwork must be completed and handed in upon a cadet's return to school. Due dates will be determined on a case-by-case basis for pre-planned medical absences.

### **College Visits**

For the purposes of implementing this policy, College Visits will include visits to colleges, universities or other institutions or organizations offering post-secondary educational opportunities for our high school cadets. Cadets who are absent from school for the purpose of college visits will be excused at the principal's discretion. Official documentation confirming the cadet's attendance at the college visit, appointment and/or interview may be required to excuse the absence from school. Typically, high school cadets schedule college visits, however we recognize it may be beneficial for non-high school siblings to also attend. Each cadet/sibling must obtain individual approval from the appropriate principals for the absence to be excused. Please see the Planned Absences section of this policy (see above) for procedures to request approval for a planned absence. Absences for college visits are subject to the same criteria for make-up work as noted in the Planned Absences section of this policy (see above).

Approved absence days for college visits will not be counted toward the threshold requiring medical notes from a physician's office. (See Absences section above.)

### **Early Dismissal from School**

Parents requesting an early dismissal from school must send a note to be handed in during homeroom on the morning of the early dismissal. Phone calls/emails are not accepted. A cadet's regular dismissal routine will not be changed unless written notification is provided to the school on the morning of the change. This allows for appropriate planning with minimal disruption. Appropriate reasons for early dismissal are the same as those for a lawful absence. A cadet who does not attend for a minimum of four hours of school will be counted as absent for the full day. Cadets sent home by the school nurse are medically excused for that day only. Subsequent absences require a note upon return to school. Cadets leaving for appointments must provide a note from a medical professional upon their return to school. The note is needed regardless of whether the cadet returns to school on the same day or the next day. Parents/guardians or those authorized by a parent/guardian to pick-up a cadet should be prepared to show photo identification to verify their identity.

### **Notes**

Parents must send a signed note with their child when he/she arrives tardy to school, requires an early dismissal, or returns to school from an absence. Failure to provide a timely excuse note will result in unlawful attendance violations subject to truancy reporting. (See Truancy section that follows.) Parents must still send in the note, even if they called to report their child absent. Absence, tardy, and early dismissal notes must list the date(s), provide a reason, and be signed by a parent/guardian.

Dismissal notes must also indicate a pick-up time and include the name of the person picking up the cadet. Absence and tardy notes must be received by the second day following a return to school in order to be accepted, and by noon on the last day of school for cadets in order to be accepted for absence or tardiness occurring immediately preceding and/or through the close of the school year. Cadets' absent/tardy/dismissed early due to an appointment (medical, dental, legal, etc.) must provide a note from the professional's office documenting the date(s)/time necessary to be absent from school for it to be considered excused/lawful. Notes must be presented to the attendance office. The sending of the note itself doesn't excuse absence, late arrival or early dismissal from class or school. The Principal or his/her designee will make the determination. Valid reasons are those listed above, classified as Lawful/Excused or Unlawful/Unexcused. Notes may be faxed to the school to the attention of the attendance office. Emails cannot be accepted as notice to the school of an early dismissal or tardy arrival, however an email that provides an attached copy of a signed note for a prior absence, a prior tardy arrival or a prior early dismissal may be sent to: Maria Garlick at [garlick.m@maritimecharter.org](mailto:garlick.m@maritimecharter.org) at the high school or [lindsey.a@maritimecharter.org](mailto:lindsey.a@maritimecharter.org) at the elementary school. To be considered valid, all medical notes must, in compliance with PA School Code, be provided by practitioners licensed to practice in Pennsylvania.

### **Make Up Work**

Cadets are required to make up all missed work resulting from planned absences, excused and unexcused absences, late arrivals and early dismissal to ensure they do not fall behind in their academic work. Making up work is not viewed as an alternative for the direct instruction received by attending classes for the purpose of earning academic credit. (See Academic Credit section above.) Cadets may receive assignments during an absence. The time frame for completing make up work shall be one day for each day of absence. Cadets should be prepared to take missed tests/quizzes, etc. upon returning to school, at the teacher's discretion. Cadets turning in work late will be subject to their individual teacher's late-work policies. Cadets that do not turn in work or make up assignments will receive a zero. If the absence is unexcused, make up work, test and quiz grades will be reduced by 10%. Late arrivals and early dismissals are viewed as absences with respect to makeup work.

Requests from parents for teachers to provide assignments during an absence must be made to the Main Office by 1:00 pm on the day of the absence. Requests received by 1 pm will be filled to the best of the teachers' abilities by 2:00 pm and available for pick up in the Main Office. As teachers may not have time to respond, requests received after 10:00 am cannot be accommodated for same day pickup and instead will be prepared for a 2:30/3:00 pm pickup on the following day. However, parents are invited to contact the school after 2:30/3:00 pm to see if the assignments were able to be readied on the requested day.

For planned absences (including college visits), it is the responsibility of the parent/guardian and the cadet to contact teachers a minimum of one week in advance of the absence to request assignments that will be missed. All work must be submitted to the teacher upon the cadet's return to school or be subject to the teacher's late-work policies. Cadets should be prepared to take missed tests/quizzes, etc. upon returning to school, at the teacher's discretion. Grades for make-up work, tests, quizzes, etc. from planned absences not approved by the Principal will be reduced by 10%.

### **Truancy**

It is a parent's/guardian's responsibility to ensure their child attends school in accordance with PA Law and this policy. The law explicitly defines "truant" as a child subject to compulsory school laws having 3 or more school days of unexcused absence during the current school year. Cadets accumulating 6 or more unexcused absences are considered "habitually truant" and those cadets under

15 years of age will be referred to their county department of Children and Youth Services. Citations may also be filed against the parent/guardian residing in the same household as truant cadets under 15 years of age. Citations will be filed against the habitually truant cadet 15 years of age and older, or against the parent/guardian residing with the habitually truant cadet with a possible referral to the local department of Children and Youth Services.

Parents will be notified in writing of unlawful attendance violations dates and potential consequences. Within 10 days of accumulating 3 unlawful absences (or the equivalent), an Official Notice of Child's Illegal Absence letter will be issued to a parent/guardian with whom the truant cadet resides informing them of the violations and consequences should the unlawful absence incidents continue. Upon accumulating 6 unlawful absences (or the equivalent) a subsequent letter will be issued notifying the parent/guardian of their child's Habitual Truant Status. This letter to the parent/guardian shall include the offer of a School Attendance Improvement Conference (SAIC). At the SAIC, effort will be made to meet with families and collaboratively establish a School Attendance Improvement Plan/Truancy Elimination Plan. Once an Official Notice of Child's Illegal Absence letter is issued and the scheduled School Attendance Improvement Plan meeting has occurred (with or without parent/guardian participation), without further notice to the family any additional days of unlawful absence will be reported to the county department of Children and Youth Services and/or the appropriate citation for truancy filed with the local District Court (Title 24, Pennsylvania School Code, Section 13-1327 and 13-1326). MACS shall then refer the cadet to (a) school-based or community-based attendance improvement program or (b) county children and youth agency for possible disposition as a dependent child pursuant to Pennsylvania School Code, Section 13-1333.1(a)(1).

A cadet who has accumulated 6 unexcused/unlawful absences (or the equivalent) may also be referred to the MACS Board of Trustees for in-school suspension or Saturday School Intervention.

For special education cadets, MACS will comply with the Individuals with Disabilities Act (IDEA), Section 504 of the Rehabilitation Act (Section 504), and the Americans with Disabilities Act (ADA) to determine whether there is a possibility that a child is chronically absent or truant due to a disability or medical condition. If the cadet has 10 consecutive unexcused absences found to be unrelated to the identified disability or medical condition, and if compulsory attendance prosecution cannot be pursued, then MACS will move forward in compliance with procedures as required by IDEA and 22 Pa. Code Chapter 14 pertaining to dis-enrolling a cadet with an IEP. Removal from the active membership roll will be a last resort after every effort has been made to contact the parents or guardians of the cadet about the cadet's failure to attend school. A cadet will not be removed from the active membership roll if there is any evidence that a cadet's absence may be legally excused.

MACS will immediately inform the school district of residence of all cadets dropped from the active membership rolls.

Consequences: In addition to the consequences listed in this Cadet Code of Conduct, any parent/guardian of a cadet and/or cadets 15 years of age or older who fail to comply with Pennsylvania law regarding compulsory school attendance may be subject to the penalties outlined in the Pennsylvania School Code of 1949 at Section 13-1333. Specifically, as a last resort, MACS may file a truancy citation with the magisterial district judge (MDJ) against the cadet or parent/guardian of the cadet. In turn, a Magisterial District Judge may impose such penalties that include, but are not limited to, imposition of a fine not exceeding \$300 with court costs for the first offense/citation, \$500 with court costs for the second offense/citation and up to \$750 per offense with court costs for the third and all subsequent offenses/citations, completion of an approved course or program designed to improve

school attendance, completion of community service, suspension or delay of driver's license (cadet only), or a sentence in the county jail for no more than three (3) days.

## **Extra-Curricular Activity Policy**

Cadets wishing to participate in any extra-curricular activities must be a MACS Cadet in Good Standing. The cadet must meet academic, behavioral and attendance standards to participate in all aspects of the activity-try-outs, practices, games, meetings, events, etc.

Extra-curricular is defined as any activity that will require the release of a cadet from regularly scheduled classes (game/meet, music lessons, etc.), any MACS sponsored activity that meets during a cadet's non-class time (before or after school, weekends, lunchtime, etc.), or any home school district event or activity in which a MACS cadet is participating regardless of when the event or activity occurs. Cadets who commit to an extra-curricular activity are expected to participate for the duration of the activity, unless they become ineligible. Exceptions to this policy may only be made by the CEO or Principal. No refunds of participation/registration, etc. fees will be issued if a cadet is no longer eligible for an extra-curricular activity.

To be considered as a MACS Cadet in Good Standing and be able to participate in extra-curricular activities, the cadet must meet the criteria below during the activity's duration. Duration includes try-outs, practices, games, meetings, events, etc.

1. The cadet must maintain a 65% or above in all classes during the duration of an activity. Grades are checked regularly to determine if cadets are eligible or ineligible for the subsequent calendar week. If a cadet's grade in a class is below a 65%, the cadet can ask the teacher to consider approving an eligibility form. The teacher's signature on the form indicates that the cadet is completing all work, is behaving appropriately in class, and is putting forth his/her best effort. A cadet's eligibility can only be extended with the eligibility form if his/her grade is above a 65%.
2. The cadet's attendance records must be free of unexcused absences and unexcused late arrivals throughout the duration of the activity. If a cadet has an unexcused absence or unexcused late arrival, the cadet will be on attendance probation for the remainder of the duration of the activity and the cadet may still participate in the activity. If a cadet has any subsequent unexcused absences or unexcused late arrivals, they will no longer be able to participate in the activity.
3. Cadets serving an after school or lunch detention are ineligible for their extra-curricular activity/event on the day they serve the detention.
4. Cadets serving a suspension (in-school or out-of-school) are ineligible for their extra-curricular activity/event for the remainder of the activity's duration/season.
5. Cadets may have no outstanding debts due to their behaviors (damaged and/or lost books, materials, etc).
6. Seniors who are not current with the Graduation Project requirements may not participate in extra-curricular activities.

When a cadet is considered ineligible, he/she may not participate in any aspect of the extra-curricular activity, including practice, games, events, etc. If a cadet is academically ineligible for a total of 3 weeks during their activities' duration, the cadet is not eligible to participate for the remainder of the activity or, in the case of a full year activity, until all course grades are 65% or above.

Cadets who are not in attendance on the day of the event, were late to school (unexcused) on the day of the event, or left school early (unexcused) on the day of the event, may not participate in an extra-curricular event unless approved by the Principal. Cadets who had an excused late arrival or an excused early dismissal may participate.

Cadets missing a class or classes due to participation in an extra-curricular event must do the following:

1. Contact teacher(s) prior to missing the class to inform them of the absence and to request assignments.
2. Complete all assignments without an extended due date.
3. Make-up tests, quizzes, presentations, etc. within 2 school days. For example, the cadet misses a test on Friday. The cadet has Monday and Tuesday to make-up the test.

## **Anti-Harassment Policy**

Maritime Academy Charter School will not tolerate or condone the existence of a hostile or offensive school environment in which sexual harassment and/or harassment based on race, color, national origin, religion, age, disability or sexual orientation are present. Maritime Academy is committed to ensuring that the school environment is free of all forms of harassment. Harassment and sexual harassment are offenses subject to disciplinary consequences as outlined in the Behavior and Legal Violations sections that follow.

Harassment includes offensive verbal or physical conduct based on an individual's race, color, national origin, religion, age, disability or sexual orientation where such conduct has the purpose or effect of interfering with an individual's academic performance or creates an intimidating, hostile or offensive school environment. This includes, but is not limited to: ethnic intimidation; threats, jokes, visual representations, dissemination of materials, graffiti, use of derogatory language or actions about any race, religion, culture, disability, color, national origin, age, or sexual orientation.

Sexual harassment includes sexually oriented verbal "kidding"; pressure for sexual activity; remarks to an individual with sexual or demeaning implications; unwelcome sexual touching or advances; gestures; suggestions; requests or demands for sexual favor or activity; verbal or physical conduct of a sexual nature when submission to such conduct is made either explicitly or implicitly a term or condition of an individual's school experience; rape; sexual assault; sexual battery; sexual coercion; submission to or rejection of such conduct by an individual is used as the basis for academic decisions affecting the individual; or such conduct has the purpose or effect of unreasonably interfering with an individual's academic performance or creating an intimidating, hostile or offensive school environment.

Sexual activity between Maritime Academy employees (permanent or temporary, including contract service providers) and cadets is strictly prohibited. Any sexual activity between an employee and a cadet constitutes prohibited sexual harassment under this policy.

Any individual who believes he or she has been subject to sexual harassment and/or unlawful harassment must report the matter immediately to the MACS administration. Reports may be provided in writing or verbally to the Principal, Assistant Principal, or the CEO. There shall be no retaliation against any person who has, in good faith, complained of sexual harassment or other unlawful harassment or discrimination, reported a grievance, assisted in the reporting of a grievance, served as

a witness or representative of the grievant, rejected sexual advances or harassment by others or who has otherwise taken any reasonable action to stop sexual harassment or other unlawful harassment. Any individual who believes he or she has been subjected to retaliation must report the matter immediately to the Principal or the CEO. The reporting of an alleged incident shall remain strictly confidential within the bounds of any legal and investigative requirements. The confidentiality and rights of the accused shall be similarly respected.

When sexual harassment is reported by a cadet or by someone on behalf of a cadet, the Principal or the CEO shall oversee the investigation and response and shall identify any patterns or systemic problems that arise during the review of such complaints. The investigation itself may be conducted by a Principal or Assistant Principal, but the person conducting the investigation shall consult with and inform the CEO of the results of any investigation.

In investigating a complaint of sexual harassment, the Principal, CEO or his or her designee shall provide both the complainant and the alleged perpetrator an opportunity to present witnesses and evidence to him or her. The investigation will normally be completed within 60 days of a report being received, although that time may be expanded if necessary. Upon the completion of its investigation the school will take steps to prevent recurrence of any sexual harassment, up to and including the imposition of consequences on any perpetrator of sexual harassment, and will take steps to remedy the discriminatory effects on the complainant and any others. If the consequence to be imposed on the perpetrator of sexual harassment is a suspension or expulsion, then the normal procedures for suspension or expulsions provided in this Code of Conduct will be followed. Written notice will be provided to the complainant and alleged perpetrator of the outcome of the complaint. Although federal privacy laws limit disclosure of certain information in disciplinary proceedings, MACS will disclose to the complainant information about the sanction imposed on the perpetrator when the sanction directly relates to the harassed cadet.

While an investigation is ongoing, MACS may take interim measures to protect the cadet in an educational setting. This may include changing class schedules or class assignments, limiting contact between cadets, or providing counseling. Interim measures shall be determined on a case by case basis depending on the facts of the case, and shall be designed to minimize the burden on the complainant.

Maritime Academy will provide referrals for counseling, advocacy, and support to any cadet who believes that he or she has been a victim of sexual harassment.

## **Anti-Bullying Policy Purpose**

The Board recognizes the importance of providing all cadets and employees with a safe school and learning environment in order to promote the educational process. The Board has determined that a safe and civil environment in school is necessary for cadets to learn and achieve high academic standards. Bullying and cyberbullying, like other disruptive or violent behaviors, is conduct that disrupts both a cadet's ability to learn and Maritime Academy's ability to effectively educate its cadets in a safe environment. Therefore, in order to ensure and promote a safe learning environment, it shall be the policy of Maritime Academy to maintain an educational environment that is intolerant of bullying and cyberbullying in any form.

Since cadets learn by example, school administrators, faculty, staff and volunteers are directed to demonstrate appropriate behavior, treat others with civility and respect and to refuse to tolerate bullying and cyberbullying. This policy pertains to all cadets and staff, regardless of their status. This

policy also applies to all cadets and staff whose conduct out of school materially and substantially interferes with the educational process at Maritime Academy Charter School.

### **Definitions**

Bullying and Cyberbullying are defined as an intentional electronic, written, verbal or physical act, or a series of acts:

1. directed at another cadet or cadets;
2. which occurs in a "school setting", or occurs outside of school and Maritime Academy reasonably forecasted that the outside-of-school conduct would materially interfere with or substantially disrupt the educational process or program in the school, and the outside-of-school conduct does in fact materially interfere with or substantially disrupt the educational process or program in the school;
3. that is severe, persistent or pervasive; and
4. that has the effect of doing any of the following:
  - a. substantially interfering with a cadet's education;
  - b. creating a threatening environment; or
  - c. substantially disrupting the orderly operation of the school.

Bullying and cyberbullying shall encompass acts that occur outside a school setting if those acts meet the requirements found in (1), (3) and (4) listed above.

**School Setting** shall mean in Maritime Academy Charter School, on Maritime Academy Charter School grounds, on Maritime Academy Charter School property, using Maritime Academy Charter School equipment and technology, on Maritime Academy Charter School's server or Maritime Academy Charter School's electronic, web-based, Internet or online programs, in Maritime Academy Charter School vehicles, at designated bus stops or at any activity sponsored, supervised or sanctioned by Maritime Academy Charter School and any time spent necessarily traveling to and from these locations. Additionally, any cadet whose out of school conduct materially interferes with or substantially disrupts the educational process in the school is also subject to this policy.

**Cyberbullying** shall mean by sending harmful or cruel material, text messages and/or images or engaging in other forms of social aggression and bullying using the Internet, cell phones, personal digital assistants ("PDAs") or other technology resources. All cadets, staff, volunteers, and contractors shall comply with Maritime Academy Charter School's Network Usage Policy when using any technology resources.

Cyberbullying via the Internet is seen through the use of any one or more of a number of methods, including, but not limited to:

- Email sent to the intended victim;
- Blog entries regarding the intended victim;
- Posts on social networking websites, including, but not limited to, Facebook, Twitter, YouTube, Instagram, SnapChat, or Tik-Tok;
- Posting victim's pictures on the Internet or networking websites with derogatory phrases or questions attached to them;
- Using instant messaging tools to harass victims;
- Creating an Internet parody of the intended victim;
- Creating fake Internet profiles for the victim on a public website;
- Creating or accessing an unauthorized website which harasses or bullies the victim;

- Using camera phones and/or digital cameras to take embarrassing photographs of cadets and/or staff and posting them online;
- Excluding others from an online group by falsely reporting them for inappropriate language to Internet service providers.

Cell phones are also often used for cyberbullying for things such as calling or text messaging the victim and/or using a victims' cell phone to text or call another victim using harassing language.

The use of the Internet or Maritime Academy Charter School email does not necessarily have to involve the creation of the offensive materials. Rather, the person creating the offensive material may do it on a home computer and then use Maritime Academy Charter School's computers to take such actions as accessing it, viewing it, displaying it for others to see, disseminating copies of it to others or otherwise publicizing the contents.

Maritime Academy Charter School strictly prohibits the above conduct and any conduct by any cadet or staff that creates or intends to create an intimidating, threatening, offensive or hostile learning environment.

### **Guidelines**

Cadets shall conduct themselves in a manner in keeping with their levels of development, maturity, and demonstrated capabilities with a proper regard for the rights and welfare of other cadets, school staff, volunteers, and contractors.

The Board believes that standards for cadet behavior must be set cooperatively through interaction among the cadets, parents and guardians, staff, and community members of Maritime Academy Charter School, producing an atmosphere that encourages cadets to grow in self-discipline. The development of this atmosphere requires respect for self and others, as well as for school and community property on the part of cadets, staff, parents/guardians, and community members.

Since bystander support of bullying and cyberbullying can bolster these types of behaviors, Maritime Academy Charter School prohibits both active and passive support for acts of bullying and cyberbullying. The staff should encourage all cadets to refuse to engage in these acts and to report them immediately to the appropriate building Principal.

### **Reporting Procedures**

Any cadet who feels he or she has been bullied or cyberbullied shall have the right to file a complaint of such bullying. Complaints should be reported to the Principal. Maritime Academy provides a Bullying Report Form, available on our website and in our main offices, for cadets and parents to use to make a report of bullying. Complaints may also be reported directly to a teacher, guidance counselor, or other administrator who shall immediately report the incident to the Principal in order to protect the alleged victim and for prompt investigation. The Board of Trustees requires the Principal to be responsible for determining whether an alleged act constitutes a violation of this policy. In determining whether alleged conduct constitutes bullying or cyberbullying, the totality of circumstances, nature of the conduct, and context in which the alleged conduct occurred shall be investigated. If the investigation results in a substantiated charge of the bullying, Maritime Academy Charter School shall take prompt corrective action to ensure the bullying and/or cyberbullying ceases and will not reoccur.

Reports to the Principal may be made anonymously, but formal disciplinary action may not be based solely on the basis of an anonymous report.

The Principal shall immediately notify the parent or guardian of the perpetrator of the bullying and the parent or guardian of the victim of the bullying of the alleged incident.

### **Consequences for Violations**

Consequences and appropriate remedial actions for a cadet or staff member who commits one or more acts of bullying or cyberbullying may range from positive behavioral interventions up to and including in school or out of school suspension from Maritime Academy Charter School or expulsion or other disciplinary removal from Maritime Academy Charter School, in the case of a cadet, or suspension or termination in the case of an employee, as set forth in Maritime Academy Charter School's cadet Code of Conduct or Employee Handbook.

In some cases, bullying and/or cyberbullying may constitute criminal activity and the Police Department will be notified. This may lead to a criminal investigation and criminal charges against the cadet or staff.

Consequences for a cadet who commits an act of bullying and/or cyberbullying shall be unique to the individual incident and will vary in method and severity according to the nature of the behavior, the developmental age of the cadet, and the cadet's history of problem behaviors and performance, and must be consistent with Maritime Academy Charter School's cadet Code of Conduct. Remedial measures shall be designed to: correct the problem behavior; prevent another occurrence of the behavior; and protect the victim of the act.

The following intervention strategies for protecting victims may be followed as needed:

- Supervise and discipline offending cadets fairly and consistently;
- Provide adult supervision at Maritime Academy Charter School sites or other sites used by Maritime Academy Charter School, at any activity sponsored, supervised or sanctioned by Maritime Academy Charter School, during any breaks, lunch times, bathroom breaks and in the hallways during times of transition;
- Maintain contact with parents and guardians of all involved parties;
- Provide counseling for the victim if assessed that it is needed;
- Inform school personnel of the incident and instruct them to monitor the victim and the offending party for indications of harassing, intimidating and bullying and/or cyberbullying behavior. Personnel are to intervene when prohibited behaviors are witnessed; and
- Check with the victim daily to ensure that there have been no incidents of retaliation from the offender or other parties.

### **Retaliation Prohibited**

The Board of Trustees strictly prohibits retaliation or reprisal against any person who reports bullying and/or cyberbullying incidents. Retaliation includes, but it is not limited to, any form of intimidation, reprisal or harassment used against a person who reports, in good faith, incident(s) of bullying and/or cyberbullying. Disciplinary action against any person who retaliates or engages in reprisals for reporting such behavior(s) may include sanctions up to and including expulsion or suspension for cadets and termination for staff engaging in such prohibited conduct. The consequences and appropriate remedial action shall be determined after consideration of the nature, severity, and circumstances of the act.

### **False Accusations**

The Board of Trustees prohibits any person from falsely accusing another of bullying and/or cyberbullying. The consequences and appropriate remedial action for a cadet found to have falsely

accused another of bullying and/or cyberbullying may range from positive behavioral interventions up to and including suspension or expulsion. Consequences and appropriate remedial action for an employee found to have falsely accused another of bullying and/or cyberbullying shall be disciplined in accordance with Maritime Academy Charter School policies, procedures, and agreements.

### **Annual Distribution of Information**

The Board of Trustees requires Maritime Academy Charter School officials to annually disseminate the policy to all school staff, cadets, volunteers, independent contractors and parents along with a statement explaining that it applies to all applicable acts of bullying and cyberbullying that occur in Maritime Academy Charter School, on Charter School grounds, on Maritime Academy Charter School property, using Maritime Academy Charter School equipment and/or technology, on Maritime Academy Charter School's server or Maritime Academy Charter School's electronic, web-based, Internet or online programs, in Maritime Academy Charter School vehicles, at designated bus stops or at any activity sponsored, supervised or sanctioned by Maritime Academy Charter School and any time spent necessarily traveling to and from these locations. Additionally, any cadet or staff's out of school conduct that materially and substantially interferes with the educational process in Maritime Academy Charter School is also subject to this policy.

Maritime Academy Charter School is required to post this policy on its website and make the policy available in every classroom. This policy shall also be posted at a prominent location within every Maritime Academy Charter School building where such notices are usually posted. Maritime Academy Charter School shall ensure this policy and its procedures for reporting bullying and cyberbullying incidents are reviewed with cadets and staff within ninety (90) days after its adoption and, thereafter, a minimum of one (1) time per school year.

### **Compliance**

As required by the Federal Broadband Data Improvement Act of 2008, Maritime Academy Charter School shall educate elementary and secondary school aged cadets with computer access to the Internet about appropriate online behavior, including online interaction with other individuals on social networking websites, including but not limited to Facebook, Twitter, YouTube, and Instagram, and in chat rooms and educate them regarding cyberbullying awareness and response.

The Board of Trustees directs the Administration to develop any procedures necessary to implement this policy and to develop appropriate prevention, intervention and education strategies related to bullying and cyberbullying.

Acts of bullying and cyberbullying are prohibited by and a violation of Maritime Academy Charter School's Network Use Policy.

Maritime Academy Charter School will comply with all applicable federal and state laws relating to bullying and cyberbullying, including, but not limited to, the requirements delineated in the Pennsylvania Charter School Law, 24 P.S. § 1701-A, et seq., the Federal Children's Internet Protection Act (CIPA), 47 U.S.C. § 254(h) and (I), and the Neighborhood Children's Internet Protection Act (N-CIPA) and any applicable implementing regulations.

Maritime Academy Charter School will also comply with Chapter 711 of Title 22 of the Pennsylvania Code, the Public School Code, the applicable House Bill 1067 Public School Code amendments relating to safe schools and bullying, and applicable provisions of the Individuals with Disabilities Education Improvement Act of 2004 (IDEA 2004) and its applicable implementing regulations

regarding the discipline of special education cadets and thought-to-be eligible cadets who engage in an act of bullying.

## **Anti-Hazing Policy**

### **Purpose**

The Board of Trustees (“Board”) of Maritime Academy Charter School (“Maritime Academy”), recognizes that cadets have the right to be physically and emotionally safe when participating in any Maritime Academy sponsored groups or organizations. Further, the Board believes that it is critical for the Maritime Academy to ensure cadets’ physical and emotional well-being through compliance with applicable federal, state and local laws.

### **Authority**

On May 24, 2016, Sections 2 and 4 of the Act of December 15, 1986 (P.L.1595, No.175), known as the Anti-Hazing Law, were amended to apply this Law to public and private secondary schools as defined below. The amended Anti-Hazing Law was passed by the Legislature and went into effect on July 25, 2016.

### **Definitions**

The following words and phrases when used in this Act shall have the meanings as set forth in the amended Anti-Hazing Law as passed by the Legislature:

The term shall include, but not be limited to any brutality of a physical nature, such as whipping, beating, branding, forced calisthenics, exposure to the elements, forced consumption of any food, liquor, drug or other substance, or any other forced physical activity which could adversely affect the physical health and safety of the individual, and shall include any activity which would subject the individual to extreme mental stress, such as sleep deprivation, forced exclusion from social contact, forced conduct which could result in extreme embarrassment, or any other forced activity which could adversely affect the mental health or dignity of the individual, or any willful destruction or removal of public or private property. For purposes of this definition, any activity as described in this definition upon which the initiation or admission into or affiliation with or continued membership in an organization is directly or indirectly conditioned shall be presumed to be "forced" activity, the willingness of an individual to participate in such activity notwithstanding.
- **Secondary school:** Any public or private school within this Commonwealth providing instruction in grades 7 through 12 or any combination of those grades.

Complaints may also be reported directly to the Director of Educational Services or Principal who shall immediately report the incident to Director of Athletics and Extra-Curricular Activities in order to protect the alleged victim and for prompt investigation.
  
- Reports to Director of Athletics and Extra-Curricular Activities may be made anonymously, but formal disciplinary action may not be based solely on the basis of an anonymous report.
  
- Any staff who sees any incidents of hazing must immediately report the incident(s) to Director of Athletics and Extra-Curricular Activities. All other members of the school community, including cadets, parents, volunteers, and visitors, are encouraged to report any act that may be a violation of this policy. It shall be the responsibility of Director of Athletics and Extra-Curricular Activities to investigate promptly and thoroughly any and all hazing complaints received or referred by other individuals and to make recommendations based upon the investigation. ### **Consequences for Violations**

- Consequences and appropriate remedial actions for a cadet or staff member who commits one or more acts of hazing may range from corrective behavioral interventions up to and including in school or out of school suspension from Maritime Academy or expulsion or other disciplinary removal from Maritime Academy, in the case of a cadet, or suspension or termination in the case of an employee, as set forth in Maritime Academy's Cadet Code of Conduct or Employee Handbook. Consequences for a cadet who commits an act of hazing shall be unique to the individual incident and will vary in method and severity according to the nature of the behavior, the developmental age of the cadet, and the cadet's history of problem behaviors and performance, but must be consistent with Maritime Academy's Cadet Code of Conduct. Remedial measures shall be designed to: correct the problem behavior; prevent another occurrence of the behavior; and protect the victim of the act.
- In the case of an organization which authorizes hazing in blatant disregard of such rules, penalties may also include rescission of permission for that organization to operate on campus or other school property or to otherwise operate under the sanction or recognition of Maritime Academy.
- All penalties imposed under the authority of this section shall be in addition to the penalty imposed by the criminal laws of this State or for violation of any other Maritime Academy rule to which the violator may be subject.
- When an incident is investigated and identified as hazing under the definition of this policy, the Police Department will be notified pursuant to Maritime Academy's Memorandum of Understanding with local law enforcement. This may lead to a criminal investigation and criminal charges against the cadet or staff.

### **Retaliation Prohibited**

- The Board of Trustees strictly prohibits retaliation or reprisal against any person who reports a hazing incident. Retaliation includes, but it is not limited to, any form of intimidation, reprisal, or harassment used against a person who reports, in good faith, incident(s) of hazing. Disciplinary action against any person who retaliates or engages in reprisals for reporting such behavior(s) may include sanctions up to and including expulsion or suspension for cadets and termination for staff engaging in such prohibited conduct. The consequences and appropriate remedial action shall be determined after consideration of the nature, severity, and circumstances of the act.

### **False Accusations**

expulsion. Consequences and appropriate remedial action for an employee found to have falsely accused another of hazing shall be disciplined in accordance with Maritime Academy policies, procedures, and agreements.

## **Network Usage Policy**

Access to computers, the network, internet and software (hereafter referred to as "Network Resources") at Maritime Academy Charter School offers cadets a variety of resources and information to support their educational development. However, access to Network Resources is a privilege, not a right. With the help of MACS faculty and staff, Network Resources can be used for research, study, and communications. Network Resources also include information, messages, and images that are not appropriate for cadets and the school environment. Maritime Academy Charter School does not condone or permit the use of such material. Therefore, cadets must behave responsibly when using Network Resources, and will be held accountable for their actions. To protect cadets from access to inappropriate information and other content, Maritime Academy Charter School will employ a World Wide Web filter. As the World Wide Web is constantly changing, MACS does not warrant the effectiveness of the filter. Users who encounter an inappropriate website should report the website immediately to their teacher or the closest MACS faculty/staff member. Users of MACS Network Resources should have no expectation of privacy in anything they create, store, send or receive while using MACS Network Resources. Use of MACS Network Resources will be monitored. Users expressly waive any right to privacy in anything they create, store, send or receive while using MACS Network Resources. Users consent to allowing MACS personnel to access and review all materials that users create, store, send or receive while using MACS Network Resources. Users understand that MACS may use human or automated means to monitor use of the MACS Network Resources. A cadet's files will be deleted 30 days following their graduation or their last day of enrollment. This does not include official Cadet Record files maintained by Maritime Academy.

In addition to any other policies, guidelines, and procedures that govern computer and network use at Maritime Academy Charter School, the following statements guide acceptable use of Network Resources by all cadets:

1. Cadets must obey all rules that normally govern their behavior at school when using Network Resources.
2. Cadets may not use Network Resources in a way that is inconsistent with the general rules of conduct that govern cadet behavior at Maritime Academy Charter School.
3. Cadets must be respectful, kind, and polite when using Network Resources.
4. Cadets must use Network Resources only for school-related activities.
5. Cadets may use Network Resources only when they have permission from a teacher. Cadets must follow directions of the teacher when using MACS Network Resources.
6. Cadets shall not damage or mistreat computer equipment under any circumstances. This includes trying to "fix" plugs, cables, or other parts of the equipment unless directed to do so by a teacher.
7. Cadets shall not install or use encryption software on MACS Network Resources. Cadets may not use passwords or encryption keys unknown to MACS Director of Technology.
8. Cadets shall not access or attempt to access folders, files, directories, or other information that does not belong to them. Cadets shall not attempt to circumvent security measures.
9. Cadets shall not copy, download, or install any software or programs to and/or from school computers.

10. Cadets must not write, send, access, download, store or display obscene, threatening, pornographic, violent, defamatory, discriminatory, fraudulent, harassing, or otherwise unlawful or harmful messages or images.
11. Cadets must not share or disclose their full name, personal address, phone number, passwords or any other personal information while using Network Resources. They must not share information about other people either, including family, friends, fellow cadets, or teachers. Cadets may not post information that could endanger an individual, cause personal damage or cause a service disruption. Cadets may not post recklessly false or defamatory information about a person or organization.
12. Cadets may not use the MACS Network Resources to agree to meet with someone they have met on the Network Resources without the knowledge, approval and participation of their parent/guardian.
13. Cadets should be aware that in order to maintain system integrity and to ensure responsible use, Network Resources use can and will be monitored by staff and other personnel, and therefore, are not private. Cadets should not, under any circumstances, expect that messages or files that are created, modified, transmitted, received, or stored are private.
14. Cadets may not employ the Maritime Academy Network Resources for personal financial gain or commercial purposes. Cadets may not use the Network Resources to forward chain letters, spoof (disguising identities) or spam (unsolicited emails). Cadets may not re-send or post a message that was sent to them privately without the permission of the person who sent them the message.
15. Cadets may not engage in practices that threaten the integrity of the Network Resources, including knowingly introducing a computer virus. All emails, attachments, documents, and disks from another network must be scanned for viruses before opening the material.
16. Cadets may not use the equipment or network for any illegal activities.
17. Cadets may not violate copyright laws and/or engage in software piracy.
18. Cadets may not use anyone else's password, nor may they share their password with others.
19. Cadets who encounter or receive any type of inappropriate material have the responsibility to report the incident immediately to their teacher or the closest MACS faculty/staff member.

In addition to any other policies, guidelines, and procedures that govern computer and network use at Maritime Academy Charter School, the following statements guide acceptable use of Network Resources by all cadets via a cadet-owned device.

1. MACS reserves the right to monitor a cadet's Internet usage via a cadet-owned device while on school property and/or while using MACS Network Resources.
2. Cadets using a cadet-owned device while on school property and/or while using MACS Network Resources must report inappropriate websites, images, and other content that are not blocked by MACS Internet filters.
3. Cadets consent to surrender their cadet-owned device used while on school property and/or using MACS Network Resources to their Principal upon request.
4. While MACS permits the use of a cadet-owned device for school-related activities, MACS is not responsible for the technical support of the device.
5. MACS is not responsible for damage, loss, or theft of a cadet-owned device being used on school property or accessing MACS Network Resources.
6. MACS faculty will alert cadets to appropriate times for device usage. There will be times when devices are not permitted to be used. Cadets using devices at these times risk the loss of MACS Network Resources, confiscation of the device, and possibly other disciplinary action.

Cadets who violate any of the above conditions will be subject to the suspension or termination of their Network Resources privileges, as well as other disciplinary action as determined appropriate by school officials and/or the Board of Trustees.

## **Disciplinary Consequences**

Cadets who violate this Code of Conduct are subject to disciplinary consequences by teachers, administrators or other school personnel. There are four levels of recommended consequences for offenses. Examples provided do not constitute a complete list of the infractions for which cadets may be found in violation of rules. The recommended disciplinary consequences do not constitute a complete list of the disciplinary consequences that may be imposed on a cadet for violating a Jaw or school rule.

### **Range of Consequences**

The minimum levels of disciplinary consequences listed are suggested levels only. The Administration is not bound by these recommended levels and may impose or recommend any disciplinary consequence up to and including expulsion.

### **Legal Violations**

If the cadet violates the law, the local police department may be notified. Parents will be contacted, either by MACS staff or by the police department.

### **DISCIPLINARY CONSIDERATIONS FOR SPECIAL EDUCATION CADETS**

Special education cadets must adhere to the MACS' disciplinary process in accordance with the Individual Education Plan. Since the exclusion of a cadet with a disability from his/her education program for more than a total of ten (10) days during a school year may constitute a significant change in placement, the following considerations must be addressed:

- When considering a suspension or expulsion, an Individualized Education Program (IEP) team must first determine whether the behavior of concern is a manifestation of the cadet's disability and whether his/her IEP is appropriate.
  - If the IEP team determines that the behavior is related to the cadet's disability or that the cadet's program is not appropriate, then the cadet may not be suspended and must receive an appropriate program in accordance with the IEP.
  - If the IEP team determines that the behavior is not a manifestation of the cadet's disability and that the cadet's program is appropriate, disciplinary actions may be taken in accordance with the procedures in this handbook.
- Should the disciplinary procedures include suspension or expulsion procedures, the district must continue to provide the educational services defined in the IEP.
- Ten (10) consecutive suspension days or a series of suspensions constitute a change in placement. Thus, the IEP must be modified.
- The decision to remove a cadet from his/her IEP services must be made on an individual basis.
- All federal guidelines regarding the provision of education continuation services for suspended special education cadets will be adhered to.
- Special education cadets are entitled to a due process hearing.

## **Levels of Disciplinary Consequences**

The consequences listed below are suggestions only, and may be changed, replaced or supplemented with additional consequences at the discretion of the MACS Administration or Board of Trustees. The MACS Administration, on an individual case basis, may recommend to the Board of Trustees a

punishment less than expulsion even when expulsion is recommended by this Code of Conduct based on extenuating and mitigating factors of an individual case directly related to the policy. When a suspension or an expulsion occurs, the cadet shall be afforded all necessary due process. The use of corporal punishment as a form of cadet discipline is strictly prohibited.

**Level 1: Conference**

**Level 2: Consequences**

**Level 3: Suspensions**

**Level 4: Expulsion**

**I. Level 1: Conference/Parent Contact**

Staff members may initiate and conduct a conference or make contact (phone call, letter, email) with cadets, parents/guardians and school officials.

**II. Level 2: Consequences**

1. Referral: To school guidance counselor, cadet assistance program, or other staff.
2. Time-out: The removal of a cadet from classes, but not from MACS, for one-half day or less.
3. School Probation Agreement with cadet/parent: A written statement listing steps to be taken to improve behavior or attendance. The statement also describes the support to be provided by school staff and/or parent as well as the date when the contract will be reviewed.
4. Restricted activity: The denial of participation in school activities, field trips and/or extra-curricular events. Deposits and fees paid will not be refunded.
5. School/community service: Assignment of cadet to perform school/community service. The school/community service arrangement will be designated by the Principal with the parent's consent.
6. Recess restrictions.
7. Lunch detention.

### **Parent Notification of MACS Title I Programs** **2023-2024 School Year**

Dear Parents and Guardians:

The Maritime Academy Charter School receives Title I Federal Funds annually. The amounts of these funds change from year to year depending on student enrollment and the percentage of qualifying students. Your completion of our Household Survey, posted on the MACS website, is critical in determining our funding.

The purpose of Title I funds is to help insure all children have access to the support they need to meet the rigorous Pennsylvania Academic Content Standards.

At MACS, we use our Title I funds to purchase and upgrade technology, purchase instructional aids for classroom use, and fund some teachers' salaries to keep our teacher: students' ratio at an optimal level for effective learning.

At various times during the school year, Maritime will hold Parent Informational Meetings to share program updates and progress. We hope you will take advantage of these enlightening program meetings.

Should you have questions about MACS Title I programs and services, please feel free to contact me.

Sincerely,

Eugene Mattioni  
Chief Executive Officer
