Vol.6 - October 2019

Under the guidance of Mr. Phillips and a few 7th grade sailing members and mentors, Imani, Nicole, Shane, Theresa Rose, and Robert, several students from the elementary school spent the day sailing at the Corinthian Yacht club. This trip coincided with the Ports of Philadelphia Maritime Society annual Crab Fest. The cadets had the pleasure of meeting the Chairman of the Board, Mr. Cointot. Thank you, Mr. Cointot, for taking the time to meet and take pictures with our young sailors. Pictured: William Thompson 3B, Jana Appiah 4A, Nicolas Ledvon 4A, Olivia Olmeda 5A, Nicole Moyano 7A, Silda Marini 5A, Avalise Alicea 6B, Robert Weise 7A, Imani Mills 7A, Shane Temple-Salas 7D, Anolda Kuriakose 3A, and Theresarose Ferreira 7A.

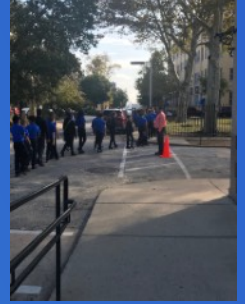

This year is the first year of the Independent Living Class at MACS. The 7th and 8th grade students in the Independent Living class participate in a Coffee Crew every Friday. Students brew coffee, make lemonade and iced tea, and sell it to teachers and staff. The teachers and staff place their orders online during the week and the Coffee Crew prepares and delivers orders on Fridays. The first three weeks have been a huge success and the students love being part of the program!

Elementary School Corner News

The elementary school participated in its first fire drill.

On the evening of September 26th, Ms. Feria, Mr. Wilson, Mr. Mattioni, and several high school cadets attended the 8th grade Back-To-School Night at the elementary school. This event was started last year to provide the opportunity for 8th graders and their families to learn more about the high school. Ms. Feria and Mr. Wilson highlighted the high school's many wonderful opportunities, including dual enrollment, athletic teams, the one-to-one initiative, summer trips to maritime schools, and much more. Cadets Estreya Aranda and George Funke presented to the families. This was a great experience for the school and for all of the families who attended.

High School Corner News:

Mrs. Ferrigon's AP Environmental Science students visited Water Works, the water treatment center in Philadelphia.

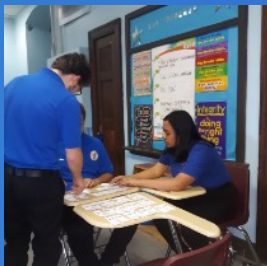

Mrs. Ferrigon's 9th grade class cleaned and tilled the garden.

Mr. Hentnick's classes participated in numerous team-building activities.

Mrs. LaDuke's Spanish 1 class is working on Spanish phonetics and pronunciation. It's all about el alfabeto: los consonantes, las vocales y las silabas!
